The car will get us there so you don't have to wait,
We'll drive, not walk cause I know that you hate,
The city when it rains,
But it does it all the time, so
I'll take you any time.
I love your face, your hair,
Regardless of your mood,
We learn to talk it over
Till' it's smooth.
It barely makes you brave but I do
It all the time and I love you cause you're mine.

So, talk to me and make me feel fine, I hope you can,
all the time.

Forgive me if I'm ever on my knee,
Kiss me if you're mad at mommy,
Love me even if I'm a mess,
Take me as I am; bad or best.
Jonny loves Jess.

There are a couple things we don't always agree
On what to watch or what we're gonna eat,
But I'm willing to change, for the sake of me and you,
cause I know you're changing too.
I try to think of

How my life would be without you, I would feel so
unhappy,
'Cause you balance me out,
You're the minus to my plus, when its just the two of us.

So talk to me and make me feel fine, I hope you can, all
the time.

Love me even if I'm a mess,
Take me as i am, bad or best,
Forgive me if I'm ever on my knee,
Kiss me if you're mad at mommy,
Love me even if I'm a mess,
Take me as I am; bad or best,

Forgive me if I'm ever on my knee,
Kiss me if you're mad at mommy.
Jess loves Johnny.

Forgive me if I'm ever on my knee,
Kiss me if you're mad at mommy,
Love me even if I'm a mess,
Take me as I am; bad or best
Jonny loves Jess.
