Once in a while
I act like a child
To feel like a kid again
Tt gets like a prison in the body I'm living in
'Cause everyone's watching
And quick to start talking
I'm losing my innocence
Wish I were a little girl without the weight of the world

It would be nice
To start over again
Before we were men
I'd give, I'd bend
Let's play pretend

Remember the times
We had soda for wine
And we got by on gratitude
The worst they could do to you was check your attitude
Yeah when fights were for fun
We had water in guns and a place we could call our
own
How we lost hold of home I guess I'll never know

It would be nice
To start over again
Before we were men
I'd give, I'd bend
Let's play pretend

And when it's the end
Our lives will make sense
We'll love, we'll bend
Let's play pretend

It's not gonna be long
Before we're all gone
With nothing to show for them
Stop taking lives come on
Let's all grow up again

It would be nice

To start over again
Before we were men
I'd give, I'd bend
Let's play pretend

And when it's the end
Our lives will make sense
We'll love, we'll bend
Let's play pretend
