"The Pity Scene"

Visit "[The Pity Scene](#)" on [MotoLyrics.com](https://www.motolyrics.com)

I've come to realize
That you've made up too many excuses
And I've come to see
That I'm in this alone
You were only there when you wanted, and
I'm delirious
I'm at my whits end
And you're ignorant to refuse it
I don't understand
Why I'm in this alone
Where's your heart in this matter?
Black turns gray ahead, ahead
I've played my part, if it matters
And it's clear that I cared too much today

I've come to realize
That I'm over you and your excuses
And I'm glad to see
That I've made it alone
You were only there when you wanted, and
I hope you're hearing this
Where's your heart in this matter?
Black turns gray ahead, ahead
I've played my part, if it matters
And it's clear that I cared too much today
I cared too much today
I cared too much today
