Long walk down
A road that paves solemn ways
And a quiet insecurity

In your room
The feel of your naked flesh
And a frightened touch

Sweetheart, I'll give you all
I'll burn my books on love
And play it dumb
Be mine, I won't act shy
I'm over that stage of my life

And my life
I, I, I
Oh, oh, oh, oh, oh

On your couch
A whistle and a shaking hand
Are near beside of us

Trains stop, kiss
But dagger off is what we missed
But I've gained a lifelong friend

Sweetheart, I'll give you all
I'll burn my books on love
And play it dumb
Be mine, I won't act shy
I'm over that stage of my life

And my life
I, I, I, I, I, I, I
Oh, oh, oh, oh

Sweetheart, I'll give you all
I'll burn my books on love
And play it dumb
Be mine, I won't act shy
I'm over that stage in my life

And my life
I, I, I, I
Oh, oh, oh, oh
