Tell you all what we're going to do
Not what boss tells us to
Slaving over pizza not making a thing
Let's all start a
(Kitchen riot)
Fat rude bloke you
(Better be quiet)
I know they're not meatballs you're eating

J.S.A. one time

No you don't have to work
If you don't feel the need
If it's draining your life how a vampire feeds
It's J.S.A. again for me
(And you don't wanna eat the pizza)
No you don't have to work
If you don't feel the need
If it's draining your life how a vampire feeds
It's J.S.A. again for me
(And you don't wanna eat the pizza)

Just J.S.A. one time

No you don't have to work
If you don't feel the need
If it's draining your life how a vampire feeds
It's J.S.A. again for me
(And you don't wanna eat the pizza)
No you don't have to work
If you don't feel the need
If it's draining your life how a vampire feeds
It's J.S.A. again for me
(And you don't wanna eat the pizza)

Eat the pizza, no you don't wanna eat the pizza
Eat the pizza, no you don't wanna eat the pizza
You don't wanna eat the pizza
You don't wanna eat the pizza
You don't eat the pizza
