Spot Check
Spot
Here we go, yeah

Stop your negative ways
(Ha ha ha)
You've been crying now for days
(Boo hoo hoo)
Got to see the upside
Got to start swimming against the tide
I don't care
For negative others
Positive feeling for my sisters
And my brothers

We love
We hate
We try
Too late
We suffer
We cry
I don't
Know why
We change
We see
We cease
To be
A loser
A cheat
Instead of feeling down
I feel complete
