I.

I've a plan if you are willing  
We'll take on all the ends of the world  
A toast, we're celebrating  
No one's around  
We're on our own

(Refrain 1)

This sacred wine  
It's a toast to all our crimes  
Brothers I'm yours  
Let's Go!

II.

No one could ever shake this  
The soul we share  
The things we've done  
Yeah we only dreaming  
We breathe together,  
Hunt as one

(Refrain 2)

These blessed times,  
Just always keep them in mind  
Brothers I'm yours

I'll raise my glass to you  
I'll raise my glass to you

The lost boys are laughing  
Fast and faded  
The lost boys are laughing  
Choirs falling

Silence them forever,  
These falling knives  
It's all for the taking

I've a plan if you are willing  
We'll take on all the ends of the world

This sacred wine

It's a toast to all our crimes  
Brothers I'm yours

(Fading)

I'll raise my glass to you!  
I'll raise my glass to you!  
I'll raise my glass to you!  
I'll raise my glass to you!  
I'll raise my glass to you!

(Fading)

(The lost boys are laughing  
Fast and faded  
The lost boys are laughing  
Choirs falling)
