[Verse 1]

You had my heart, and we'll never be world apart
Maybe in magazines, but you'll still be my star
Baby cause in the dark, we can't see shiny cars
And that's when you need me there
With you I'll always share
Because

[Chorus]

When the sun shine
We'll shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath imma stick it out 'till the end
Now that it's raining more than ever
Know that we still have each other
You can stand under my umbrella
You can stand under my umbrella
(Ella ella eh eh eh)
Under my umbrella
(Ella ella eh eh eh)
Under my umbrella
(Ella ella eh eh eh eh eh eh)

I've a plan if you are willing
We'll take on all the ends of the world
A toast, we're celebrating
No one's around
We're on our own

This sacred wine
It's a toast to all our crimes
Brothers I'm yours
Let's go

No one could ever shake this
The soul we share, The things we've done
Now we were only dreaming
We breathe together, hunt as one

These blessed times
Just always keep them in mind

Brothers I'm yours
I'll raise my glass to you (to you)
I'll raise my glass to you (to you)

Lost boys are laughing, you're master's faded
Lost boys are laughing, you criers falling

Silence them forever,
These falling knives
It's all for the taking

I've a plan if you are willing
We'll take on all the ends of the world

This sacred wine
It's a toast to all our crimes
Brothers I'm yours
I'll raise my glass to you (to you)
I'll raise my glass to you (to you)
I'll raise my glass to you (to you)
I'll raise my glass to you (to you)
(Fading)
Lost boys are laughing, you're master's faded
Lost boys are laughing, you criers falling
(Fading)
