Chicosci Last Look Lyrics

Can I be a little selfish?
And swear I'll come back home to you
Our heads turn, the last kiss
Make me yours and kill me with your stare

Leaves shaking, let's follow
I'm staying with you angel
Till the fear dies, I won't let go
(I won't let go)

So far away, one last look
It's the same thing as before
Am I too late? one last look

How could you just take me?
A silent frame, my heart had fell into
Let's pray for the violence, 3:47
It's just another requiem

Leave shaking, let's follow
I'm staying with you angel
Till the fear dies, I won't let go
(I won't let go)

So far away, one last look
It's the same thing as before
Am I too late? one last look
Till we sleep forever

So far away, one last look
It's the same thing as before
Am I too late? one last look
Till we sleep forever (sleep forever)

A love in wait
I'll watch you go
We lie in state
I'll watch you go

A love in wait

I'll watch you go
I'll watch you go
I'll watch you go

Can I be a little selfish?
And swear I'll come back home to you
Let's pray for the violence, 3:47
It's just another requiem
