Ruin this fidelity
My dreams of you
All these dying roses
A toast to you and I

Eating it's way into our secrets
No one should ever let them see

Tragedy repeats itself
(It) was all a makeshift love
Was all a makeshift love

With blankets and locks
Of the words that surround you
You kept me inside
With blankets and locks
Of the words that surround you
You lay me down

Burning with serenity
Idyllic dreams
So close symbols of security
All are gone

Eating it's way into our secrets
Exposed for all of them to see

Tragedy repeats itself
(It) was all a makeshift love
Was all a makeshift love

With blankets and locks
Of the words that surround you
You kept me inside
With blankets and locks
Of the words that surround you
You lay me down

With blankets and locks
Of the words tht surround you

I'm dying for you

And I'm never waking again
