What's my motivation as I serve up my aggression over
you

Sometimes I get so schizophrenic
All your caring I don't need it
Orchestrated madness over you

Lost this feeling in my
Lost this feeling in my head
Lost this feeling in my
Lost this feeling in my head
Lost this feeling in my
Lost this feeling in my head
Lost this feeling in my head
Just want to feel this once again
Lost this feeling in my head
Yeah...

Eat up my confession as I try to come off pleasant
So untrue, so untrue
It's like you never left me
Your voice it always scares me
Frustrated sadness over you

Lost this feeling in my
Lost this feeling in my head
Lost this feeling in my
Lost this feeling in my head
Lost this feeling in my
Lost this feeling in my head
Lost this feeling in my head
Just want to feel this once again
Lost this feeling in my head
Yeah...

Please just go away
Please just go away

Lost this feeling in my head
Just want to feel this once again
Lost this feeling in my head
Yeah...

In my head...
In my head...
Just want to feel this once again
Lost this feeling in my head...
