Push the walls down
Resurrection
Tear these walls down
Resurrection
Come at me with knives
Dissect my insides
Blunt as they are
Your own creation
Stand on your soapbox
Lead them to your flock
I will listen
To your noises

In the crowd you scream
With the perfect dream
For a moment
You're the king of everything
Undeserved success
Skillfully expressed
Walk the narrow
Unnecessary

Could you ever find
Something real and mine
Will you ever find
You remain inside

Come at me with knives
Dissect my insides
Blunt as they are
Your own creation
Stand on your soapbox
Lead them to your flock
I will listen
No more

Could you ever find
Something real and mine
Could you ever find
You remain inside

Push the walls down

Resurrection
Tear these walls down
Resurrection
