I can't hear you asking why  
You say your right  
Soopafly  
I can't hear you asking why  
You say your right  
Soopafly

Check it out, it's the soopafly  
No you never hear him asking why  
See him doing the nightly grind  
That's the real power of 69  
All you jumping ladies better be looking at your best  
You better not be wearing that goddamn dress  
Shut up  
And don't asky why you'll be getting butt naked with the  
soopafly

(You are...)

I can't hear you asking why  
You say your right  
Soopafly  
I can't hear you asking why  
You say your right  
Soopafly

Start you off with a cold hard drink  
Never mind the buzz you gonna feel the sting  
Strapped to the post say you gotsta go  
Cmon bitch step into my flow  
Now I know your gonna feel some pain  
But I know your gonna go insane  
So whatcha think about that?  
Now everybody lay on the mat

(You are...)

I can't hear you asking why  
You say your right  
Soopafly  
I can't hear you asking why  
You say your right

Soopafly

YOU ARE JAPANESE! (huuuh!)

I can't hear you asking why

You say your right

Soopafly

I can't hear you asking why

You say your right

Soopafly
