Calling all game killers this is a warning we're going  
hunting  
Snakecharmer's out  
Calling all game killers this is a warning we're going  
hunting  
Snakecharmer's out (snakecharmer's out)

It's a shame when you should know better than to see  
yourself in me  
So why's the picture so washed out my sweet friend,  
you're the only one  
Left out

You're full of venom so stop biting and I'll bite my  
tongue (I'll bite my  
Tongue)

Yeah they'll sing all your praises (whooh! )

And I know that you're just made of paper and a joke to  
tell my friend  
So why's the picture warped and bad? my lost child  
imitation's nice and sad

You're full of venom so stop biting and I'll bite my  
tongue (I'll bite my  
Tongue)

Yeah they'll sing all your praises  
You're just a deadbeat so stop lying and I'll bite my  
tongue

Is there an echo in here? is there an echo, echo

Calling all game killers snakecharmer's out  
(snakecharmer's out) (whooh! )

You're full of venom so stop biting and I'll bite my  
tongue (I'll bite my  
Tongue)

Yeah they'll sing all your praises

You're just a deadbeat so STOP LYING! STOP LYING!  
STOP LYING!
