Bless this night
I'm entering the fold with everything to lose
Let me be ready for the end
With both guns blazing

Nothing can stop this war tonight
Can you be my shelter?
Your suicide kisses will be mine

Sweet Maria
Guide these bullets in the air

Beautiful clash
I'm a blinded fool again
Now I'll be cut and bruised
A lovely blade run through my neck
My landmine valentine

These silver bullets will open your eyes
And I'll be here breathing
Your suicide kisses will be mine

Sweet Maria
Guide these bullets in the air
Three more in the chamber and I said
Sweet Maria
Grace this moment, hear my prayer

I feel you beside me
Touch me, I tremble
My final dance, this means everything
Everything to me

These silver bullets will open your eyes
And I'll be here breathing
Your suicide kisses will be mine

Sweet Maria
Guide these bullets in the air
Three more in the chamber and I said
Sweet Maria
Grace this moment, hear my prayer
