Chicosci The Devil Made Me Do It Lyrics

With her it felt like drowning
The cheap wine we were drinking down
(I just lied, well I just lied)
I choke on the words I said
To all the ones that I have loved since then
(3 minutes sweet, they passed me by, goodnight)

Push, push now we die inside!
The more I have you (setting the walls on fire)
The more I need you (we collapse, we collapse in time)
And this is how I'm killing myself
What were you thinking, what were you thinking?

This is a black memorial
Listen hard, she's calling for you
(I just lied, but I just lied)
There's nothing here worth saving
Broken hearts, cut and wearing thin

(I just died, inside her eyes, goodbye)

Push, push now we die inside!
The more I have you (setting the walls on fire)
The more I need you (we collapse, we collapse in time)
And this is how I'm killing myself
What were you thinking, what were you thinking?

Just when I thought I couldn't get enough
I'd give my life just to make it stop
Just when I thought I couldn't get enough
I'd give my life just to make it stop

Stopwatch counting
Her days expiring

The more I have you (setting the walls on fire)
The more I need you (we collapse, we collapse in time)
And this is how I'm killing myself
What were you thinking, what were you thinking?

The more I have you (setting the walls on fire)
The more I need you (we collapse, we collapse in time)
And this is how I'm killing myself
What were you thinking, what were you thinking?
