Chorus:

Yeah, yeah
Twisted, twisted, twisted
That's what I do, do
Twisted, twisted I'm getting twisted
That's what I do, do
Don't get it twisted, twisted
That's what I do, do
Don't get it twisted, twisted
That's what I do, do

Don't get it twisted now
Here we go... and hear me flow
In UK I carry on
I switched up scenario
My momma told me education was the only vow
Now I'm so jizzy, unce Phil shall probably throw me out
It's what I do, don't you know this is what I dutch
... apple juice until I get a fuss
We're about to pour it out I hope they're ready for the
brand new flow
And I think they're stressed out
Yeah, they can use a few herds
I've been... For a couple of days
Haters will always be stuck in their way
Cause I'm up in the shade
Thinking of ways to make everyone part of my
company pay
The love we have saved, what we have picked...
Yeah, everything that will get people amazed...
Yeah, look at where I am, uh!
Fuck these niggas, I know we're ill!
Recognize this, they know we're real
Three stacks in my jeans, no...
... I know how to go, we're chill
It's the... Feel, bitch, what I rap on
From the belly and the beast gets smacked on
And I do this all day, get lifted
We're on a... Don't get you twisted.

Chorus:

Twisted, twisted, twisted
That's what I do, do

Twisted, twisted I'm getting twisted
That's what I do, do
Don't get it twisted, twisted
That's what I do, do
Don't get it twisted, twisted
That's what I do, do

Hey, cheer!
And I'll be handle it, handle it
Rip a show up in Los Angeles
Flip a beat that we're sampling it
Please don't think that we... For this
Yeah, I'm just...
Smoke some shit to examine it
Oh, you and us? Not a problem, here's your...
I lose it, she choose it for the beat up that I abuse it
And always stay on some bullshit
Late night, be riding, cruising
And I make some gum music
... chilling in the grand room
What's the pass for wi fi?
And I try to tell 'em that they're wrong for this, believe it
Once this... But for now my dick is grieving
Used to be... That what my purpose was
And couldn't pick a reason
I live this... Life,
I'll be your host for this evening
What do I take... What you're thinking is
... and I'm trying to get as much to...
And this is what you...
Practice, you should join the club
And I do this all day, get lifted
... don't get you twisted.

Chorus:
Twisted, twisted, twisted
That's what I do, do
Twisted, twisted I'm getting twisted
That's what I do, do
Don't get it twisted, twisted
That's what I do, do
Don't get it twisted, twisted
That's what I do, do
