"Zeros"

First of all, I could go hard with the worst of all
The best of all
Bitch better add a couple zeros whenever checks
involved
I'm going to set it off, in this fuckin' house
You seen the information, you should know what we
about
I swear, I'm the commercial
Don't try to change the channel, promise I'mma hurt
you
Gotta broadcast, so we all got grass
Pretty girls with us and we all got ass
Xaph say you don't even got no pass
Chiddy slow down, you're going too fast
Going too fast? they say chiddy, homie, you changed
on me
I tell 'em naw I just came up without a stain on me
And now I'm walkin' like a pimp with a cane on me
And I don't even got a chain on me, ha!

Ridin' on 'em, vroom vroom
Hotel, take 'em back to the room, room
To the mats, an' the bass goes boom, boom
To the mats, the bass goes boom, boom
Not one, not two, not, not three zeros
Add a couple more, then we can talk some more
Funny how the dollar signs make you a hero
Hero, hero, add a couple zeros
Not one, not two, not, not three zeros
Add a couple more, then we can talk some more
Funny how the dollar signs make you a hero
Hero, hero, add a couple zeros

Hold up, wait a minute
Let me put my pippin in it
Wingman, pimpin' in it
Into phat shit, I'm dippin in it
You heard the beat, now murder these
It did not occur to me
That when I hopped up on a track
That shit would need surgery

Certainly, if you gon' talk about math, it had better be
large
Fresh shake up, bitch I'm steve harve
Mouth to mouth cpr, girl resuscitate it
I don't know how you got here but I'm glad you made it
And I'm rasta faded, success is medicinal
And yeah I'm evil, so I'm chiefting next to this ya know?
Swell check, uh, like I got physical
I'm on my toes when the moment gets pimpin though,
yeah

Ridin' on 'em, vroom vroom
Hotel, take 'em back to the room, room
To the mats, an' the bass goes boom, boom
To the mats, an' the bass goes boom, boom
Not one, not two, not, not three zeros
Add a couple more, then we can talk some more
Funny how the dollar signs make you a hero
Hero, hero, add a couple zeros
Not one, not two, not, not three zeros
Add a couple more, then we can talk some more
Funny how the dollar signs make you a hero
Hero, hero, add a couple zeros
