"Come On"

It's getting late
And you layed your head next to mine
So let's not waste it
I can't stay here all night
A call from temptation
Aren't we walking on a fine line
With no hesitation I'm gonna stay out all night
I have...

Waited for all my life
For a night like tonight
So come on, come on, come on
And we'll all go crazy

(Let me go home)
Let's start escaping
What's in our way gets pushed aside
No more complaining
Tonight we feel so alive
Forget what the day brings
Right now is forever in a life
Don't have to day dream
When you want to stay out all night
I have...

Waited for all my life
For a night like tonight
So come on, come on, come on
And we'll all go crazy

We all go crazy
We all go crazy
We all go crazy
Tonight, tonight
We all go crazy

Waited for all my life
For a night like tonight
So come on, come on, come on
And we'll all go crazy
