I heard that you moved on  
Someone said  
I know you too well to let you go  
Help me through this  
Help me do this  
She whispered softly to me,  
"I lost my mind"

What can I do now for you, for you?  
Can't take this anymore  
Still do, for you

I see you lately  
You're drifting through my dreams  
I lost you somewhere  
Some how, so it seems  
How'd you know to say those words to get to me?  
She whispered softly to me,  
"I lost my mind, lost my mind"

What can I do now for you, for you?  
Can't take this anymore  
Still do, for you  
What can I do now?

What can I do now for you, for you?  
Can't take this anymore  
Still do, for you

What can I do now?  
Can't take this anymore  
What can I do for you?
