I don't care
Being stuck with you here today
I don't care
If you ain't got nothing to say
I don't care
If your world is falling apart
I don't care
I don't mind
If you don't believe anything
And I've tried
To bring you everything I can bring
So you smile
'Cause you know you've done something wrong
So you smile

And if you get mixed up in all that stuff
I'll always be around
And if you get messed up and you get stuck
I'll always be around

I don't care
Being stuck here with you again
I don't care
'Cause I know that this ain't the end
I don't care
Hey, hey I don't care
I don't mind
If you ain't got nothing to say
I don't mind
The feeling doesn't change anyway
I don't mind
Hey, hey I don't mind

And if you get mixed up in all that stuff
I'll always be around
And if you get messed up and you get stuck
I'll always be around

And if you get mixed up in all that stuff
I'll always be around
And if you get messed up and you need help

I'll always be around

I went to your, your house to pick you up
'Cause I know you've been waiting
Your mom said you better be home before nine
Or she'll have you arrested
But you're not a little girl anymore
You take what you get
And I'll probably be runnin' round with you every night
Yes you're hit and I'm getting pissed

And if you get mixed up in all that stuff
I'll always be around
And if you get messed up and you get stuck
I'll always be around

And if you get mixed up in all that stuff
I'll always be around
And if you get messed up and you need help
I'll always be around
