Silence is the place where I'm most comfortable
although
Violence is the only thing I see
IF HAPPINESS GROWS ON TREES THIS LAND IS
POLLUTED
Time is Time is of the essence And time is not a friend
of mine
IF HAPPINESS GROWS ON TREES THIS LAND IS
POLLUTED

I would die for another minute to live for another day
Take these demons away
Take me back to the place where I was innocent
Take me back to the place where there were trees

My dreams are where I prefer to live although
They are few and far between
IF HAPPINESS GROWS ON TREES THIS LAND IS
POLLUTED
I would die for another minute to live for another day
Take these demons away
Take me back to the place where I was innocent
Take me back to the place where there were trees

There's a forest growing inside my head
The silence takes me back to then So quiet I can hear a
cigarette
Burn
So quiet that I can remember, Remember The
innocence

Make me clean Make me whole again Wash my feet Let
me sleep
Make my dreams reality
Oh Night Oh Night Oh Nightâ€¦ DIVINE Oh Night Divine

IF HAPPINESS GROWS ON TREES
