"Pins And Needles"

Pins drop with needles to break into your eyes
Scars replace where beauty resides
Filthy thoughts of people
Filthy people thoughts show
That affects the ones around us
And that's why this child is lost

Save me now
Why don't you save me now?
'Cause I don't want to walk away from this
Why don't you save me now?

Teeth gnash at people to cut into their pride
Stars erased when lost is the sky
Lay me down in fetal
Lay me down so
I can start again a new born
That's what this child will cost

Save me now
Why don't you save me now?
'Cause I don't want to walk away from this
Why don't you save me now?

Don't walk alone
Don't let me go
Don't walk alone
That's what I've always done
Don't walk alone

Save me now
Why don't you save me now?
'Cause I don't want to walk away from this
Why don't you save me now?
Save me, save me
