"Weak"

The internal war, of a mind left scorned
Screams heard, "Never fit for love!"
Nothing more than a great mistake
The body is on the floor, disgraced to the room's decor
This is my internal war.

I failed today
Destruction reigns
Maybe I should just go away
I'm not okay with this mistake
It seems that I've hurt everything
When beauty fades
The lights go down
And ugly takes its place
I failed today

I will be there waiting for you
I'm sorry that I'm too weak now
I will be there waiting for you
I'm sorry that I'm too weak now
I'll let you down

Internal war
My soul and sword
Are fighting inside like I'm the enemy
Capsized can't deny
If I can't change it is the end of me
Release the rage
Breathe in and out or you will suffocate
I failed today

I will be there waiting for you
I'm sorry that I'm too weak now
I will be there waiting for you
I'm sorry that I'm too weak now
I'll let you down

I will be there waiting for you
I'm sorry that I'm too weak now
I will be there waiting for you
I'm sorry that I'm too weak now

I wanted to be there for you
I wanted to be there
I'm sorry that I'm too weak now
I'll let you down

I wanted to be there for you
I wanted to be there
I'll let you down
