Kom in I mitt djupa sinn
LÃ¥t din vilja bli min lag
BesÃ¥tt min sjÃ¥l med rent hat
Min handlingar styrs till min sista dag

MÃ¥ mÃ¶rkret vara fÃ¶r evigt
LÃ¥t ljuset aldrig nÃ¥ oss mer
DrÃ¶nk all glÃ¶dje drÃ¶nk all sorg
FÃ¶rpestade blir bara fler & fler

Ã¶ppna ditt sinne fÃ¶r ondskan
SÃ¶nd dom kristna Ã¥t dess Ã¶de
BrÃ¶nn ner alla kyrkor till aska
SÃ¶lj din sjÃ¥l till dÃ¶den

[English translation:]

Deep Mind

Come into my deep mind
Let your will be my command
Possess my soul with pure hatred
My actions are controlled until my last day

May the darkness last forever
Never let the light reach us again
Drown all joy drown all sorrow
The poisoned only become more and more

Open your mind to the evil
Send the Christians to their fate
Burn all churches to the ground
Sell your soul to death
