Pesten har en funnit
Ni kan ej fly
DÅ¶den skall dig taga
Å-det visar sin sjÅ¶lvklarhet

Kyrkoklockan som stÅ¶ndigt klang
Å,,r nu tyst
Domen mot guds hus Å¶ro kommen
NÅ¶r kyrkogrimmen ej lÅ¶ngre ses
Å,,r kristna liv lÅ¶mnade till pestens makt

Ser hur livets ljusa dagar
Å,,r endast ett minne blott
Insprukna i pestens pina
Snart dÅ¶d & borta fÅ¶r all tid

Bortom dagens mÅ¶rker
Lever nattens ljus
Skapat utav DJÅ¶VULEN nÅ¶r nu vÅ¶rlden ligger i hans
vÅ¶ld
Livets mening finnes i dÅ¶dens avgrund
& skuggan av solen
Ses ej lÅ¶ngre mer

[English translation:]

Plague & Torment

The plague has found you
You cannot escape
Death will take you
Fate shows it's matter of course

The church bell that constantly chimed is now silent
The judgment of the house of God is here
When the church guardian can no longer be seen
Christian lives are left to the power of the plague

See how life's bright days
Are nothing but a memory
Sunken into the torment of the plague
Soon to be dead and gone forever

Beyond the darkness of the day
Lives the light of the night
Created by the DEVIL now that the world is in his hands
The meaning of life is in the abyss of death
And the shadow of the sun
Can be seen no more
