Hey sweetie won't you tell me about you're day?
Because I ran out of things to say
"Well for starters i'm going nowhere"
I'm working late so i can keep up on a dream
That'll never come or so it seems
And for old times sake, i'm going nowhere

Hey sweetie won't you tell me about you're day?
Because I ran out of things to say
"Well for starters i'm going nowhere"
I'm working late so i can keep up on a dream
That'll never come or so it seems
And for old times sake, i'm going nowhere

See what I care
(I told you for the last time)
See what I care
(I told you for the last time)
Yeah yeah yeah yeah

Hey sweetness, what say we talk about the only words i
do not doubt?
Those words "I did it and it was so good"
Another week that its beat into the ground
So lets pretend that i'm not around and
"For old times sake, you're going nowhere"

See what I care
(I told you for the last time)
See what I care
(I told you for the last time)
Yeah yeah yeah yeah

Guess what, sweetie, karma is a bitch
Make sure you tell him all about our perfect pitch
And how we always seem to get across in paragraph
form
The way we feel, its both good luck and curse
Looking back, i'm not sure which is worse

Reminding you you messed up,
Or growing old and dying alone
