I'll do just fine  
And you, you'll do alright  
And I hope you know I wanted this  
And there's parts of you that will be missed  
But i'll do alright

You can always always always find a way to disappoint  
me  
And truth be told i've had enough i've had enough of  
this  
And you can always always always find me waiting in  
your bedroom  
Closet with a pillow, for him to go to bed

You can always always always go and tell me that you  
love him  
Cause honestly you're pretty when you pretty when you  
lie  
And I could always always always go and write you one  
last song  
But i'm tossing out the tossing out the lines you don't  
deserve

I'll do just fine  
And you, you'll do alright  
And I hope you know I wanted this  
And there's parts of you that will be missed  
But i'll do alright

You can always always always find a way to disappoint  
me  
And truth be told i've had enough i've had enough of  
this  
And you can never ever ever seem to keep up on your  
word  
And i've had enough of this  
I've had enough of this

I'll do just fine  
And you, you'll do alright  
And I hope you know I wanted this

And there's parts of you that will be missed  
But i'll do alright

So here's another song for you  
The kind that makes me want to do this right  
And i'm saying this is one more song  
But i'm asking what I did so wrong to you
