This is NBA2K2  
Let's go

I got the rock I'm bringin' it down  
So you better watch the clock I'm scorin' any second  
now  
You can't trap me and you can't get at me  
Please, don't even reach 'cos the crossover's nasty

You see how I pick and roll then  
I spin on em' and no look down  
Low alley hoop then hurry up and get back on the  
'Cos I'm not about to let the same thing happen to me

Still shot blocks rejections  
Head check bad past interfection  
Fast break in the opposite direction  
Coming down with the 2 on 1 look out

Swing the ball out to the wing  
The game in a clutch so I put the tray up  
That's all day you can't stop my Jay  
It's NBA2K2, let's play

You can't guard me, no, you can't stick me, no  
You can't hold me, no, you can't get me, no  
All day my Jay is on and all day my game is on  
You can't guard me, no, you can't stick me, no  
You can't hold me, no, you can't get me, no  
All day my Jay is on and all day my game is on

Fast breaker, play maker, dub for double lay up  
We run the game 23 won't play us  
It's zone de I V couldn't Jay  
We couldn't get back down by the Lakers

We set traps ya'll ballers couldn't break us  
Start with the head faker then I take a future hall of  
Famer to many moves you reach and you lose  
Is it the shoes? The shoes, it's gotta be the shoes

The crowd is screamin' with amazement

Run around the screen hit the shot while I'm fadin'  
Swish and 1 I got the continuation ref give em' a tech  
They be foul'in me flagrant

I take em' outside, I take em' inside  
Top of the key I take em' to the baseline  
To the left crossed em' to the right  
Take flight I'm doing this all night

'Cos you can't guard me, no, you can't stick me, no  
You can't hold me, no, you can't get me, no  
All day my Jay is on and all day my game is on  
So come on
