A promise kept is a lie believed
Is he much more poised than me?
Does he feel the way that I do when he's lying next to you?
So keep breathing in the air I feel your presence everywhere
It's the way you led me on,
it was wrong

I've got this lump inside my chest
Trust me baby, I'm a mess
Tell me everything about the way he tastes
and how he drew you close
Cause that's what hurts the most

Sing whoa oh oh oh,
what do you know about letting go?
Sing whoa oh oh oh!

Sing whoa oh oh oh,
what do you know about letting go?
Sing whoa oh oh oh!

You have a problem with honesty and it's obvious to me
that if this ever meant a thing how could you lie to me right now?
And keep the words locked down, and keep the lies locked down

I've got this lump inside my chest
Trust me baby, I'm a mess
Tell me everything about the way he tastes
and how he drew you close
Cause that's what hurts the most

Sing whoa oh oh oh,
what do you know about letting go?
Sing whoa oh oh oh!

Sing whoa oh oh oh,

what do you know about letting go?

Sing whoa oh oh oh!

And this has been ten whole days

It's funny how even when you're gone you make me change

This is a battle I'm fighting by myself

I'm on my knees begging you to stay

Please don't leave me here this way

I'm not sure that I'll make it out,

but if I do I won't forgive you

Sing whoa oh oh oh,

what do you know about letting go?

Sing whoa oh oh oh!

Sing whoa oh oh oh,

what do you know about letting go?

Sing whoa oh oh oh!
