she was standing there  
with her hands on her hips and  
look on her face and  
and i just cant seem to forget  
her smile

and every boy she leads into that room  
im looking at, i know  
i hope she giving them all shes got

keep looking up  
you know that Â...Â...  
believe in us cause you know that im only  
for you, i am for you

im your bittersweet boy  
the memories ive known them all along  
im wrong, i was wrong

and your my favorite chapter too  
ill live happily ever after and  
im yours, im yours

you talk about it like you know about it  
do, do you love me  
you scream about it like you Â... about it  
and i don't feel the same

you talk about it like you know about it  
do, do you love me  
you scream about it like you Â... about it

and i don't feel the same

keep looking up  
you know that Â...Â...  
believe in us cause you know that im only  
for you, i am for you

im your bittersweet boy  
the memories ive known them all along  
im wrong, i was wrong

and your my favorite chapter too  
ill live happily ever after and  
im yours, im yours

i watch you walk into her house  
on the jersey shore  
and i just cant seem to forget  
her smile

im your bittersweet boy  
the memories ive known them all along  
im wrong

your my favorite chapter  
and your my favorite chapter

im your bittersweet boy  
the memories ive known them all along  
im wrong, i was wrong

and your my favorite chapter  
your my favorite chapter  
Oh c'mon
