Yeah your on my mind,
And I can feel my heartbeat racing
Yeah 'cause your on my mind
And I can feel my heartbeat racing
Once again, once again,
I wanna see you, everyday

(I can feel my heartbeat racing,
Feel my heart beat)

Can you feel my heartbeat?
And can you feel it now?
Can you hear it beating?
Beating for this now,
For this now

Yeah your on my mind,
And I can feel my heartbeat racing
Yeah 'cause your on my mind
And I can feel my heartbeat racing
Once again, once again,
I wanna see you, everyday

(Everyday, everyday)

It's about time, that you came back to mine
(It's about time, it's about time, everyday)
It's about time that you came back to mine
(It's about time, it's about time, everyday)
It's about time that you came back to mine
(It's about time, it's about time, everyday)
It's about time that you came back to mine
(It's about time, it's about time, everyday)

Yeah your on my mind,
And I can feel my heartbeat, beat, beat, beat
(Beat)

Yeah your on my mind,
And I can feel my heartbeat racing
Yeah 'cause your on my mind
And I can feel my heartbeat racing

Yeah your on my mind,
And I can feel my heartbeat racing
Yeah 'cause your on my mind
And I can feel my heartbeat racing
(Beat, beat, beat, beat, beat, beat, beat, beat,

Beat, beat, feel my heartbeat racing, beat,

Beat)

I can feel my heartbeat racing
