[Intro:]

Yeah, yes

I got alot of bitches, yeah!

Everybody knows I got alot of bitches

P.Y.T mixtape Lil B, feel me? I got alot of bitches

Everybody know!

You can tell I got alot of bitches

Would you be mad if I had 52 bitches?

I don't care, niggas know I got bitches on my dick

Middle finger to a hater, cause a hoe ain't shit!

That's a figure of speech, I need adrenaline beat

About 15 girls put my name in leash,

About 51 one girls would... the best

22 girls wanna put my name on their...

...me when I ride the streets

Went deep with the bitch in the back seat.

Lil B, you're the fucking man

The world on my nuts, the bitch in my hand

You feel me? I go so hard

But not like this, you feel me?

Yeah man, I'mma tell you why lip shit, man

You feel me, I got bitches!

Hook:

I'm the based god

I will never cuff the bitch, cuff the bitch

I don't love the bitch, love the bitch

I will never lie, everybody know

I got alot of bitches!

I'm the based god

I will never cuff the bitch, cuff the bitch

I don't love the bitch, love the bitch

I will never lie, everybody know

I got alot of bitches!

Hook:

I'm the based god

I will never cuff the bitch, cuff the bitch

I don't love the bitch, love the bitch

I will never lie, everybody know

I got alot of bitches!  
I'm the based god  
I will never cuff the bitch, cuff the bitch  
I don't love the bitch, love the bitch  
I will never lie, everybody know  
I got alot of bitches!

You can ask me about my left one,  
And you can ask me about my right one  
But sometimes I say she's not the right one  
And sometimes I think she is the right one  
But sometimes is very not the nice ones  
Sometimes you'll really be those right ones  
They'll be acting like the right one  
But really, are you the right one?  
I don't know! They'll be playing those games  
So I should be thinking about all my bitches  
And I'll be thinking about how many bitches I got  
I'll be saying, God damn, I'm the man  
Lil B, got bitches in your hand!

Hook:  
I'm the based god  
I will never cuff the bitch, cuff the bitch  
I don't love the bitch, love the bitch  
I will never lie, everybody know  
I got alot of bitches!  
I'm the based god  
I will never cuff the bitch, cuff the bitch  
I don't love the bitch, love the bitch  
I will never lie, everybody know  
I got alot of bitches!
