Album: Bad Azz Mixtape

[Chorus:]

Wish I could fuck her everyday
Touch her in everyway
But she stay so many miles away
She my..
Distant lover..
So many miles away
Distant lover..
So many miles away

I'm turnin' into Mr. telephone man
Girl, you know I miss ya
So many miles away
And I can't kiss ya
Look but I remember everything
The concert, the room
The shit you whispered in my ear when I had you

Now my Jacksonville chick
She an indo shopper
She like to smoke purple
And chill wit her partners
When I come in town, she cook for me
You know she lookin good for me
Momma white, daddy black
So that ass supa phat

My uptown chick
We still be flirtin
When I see her
She remind me of how I broke a virgin
Think I still drive her crazy
'cause she still wanna date me
Got a man and a baby
Do ya thang, I ain't hatin'

Now my Michigan chick
She was too damn fine
Her pussy stay wet all the time

One of the best to ever ride me
Let me get a car and drive it
Everytime she see Lil Boosie she smilin'

[Chorus:] [2x]

Wish I could fuck her everyday
Touch her in everyway
But she stay so many miles away
She my..
Distant lover..
So many miles away
Distant lover..
So many miles away

At night I'm on that dro
Just thinkin' bout my distant lover
Wishin' I could call her up and go fuck her
But she stay so many miles away and it's hard
And if I ain't got no shows, I can't even see my broad
She know a nigga livin' large so when we fuckin'
Lil mama gimme everything, she ain't scared of nuttin
She get on top and drop it like it's hot im steady nuttin
My distant lover a lil sexy lil sumthin'.. huh bro.. huh
bro..

Now my Tampa chick
She bout what she be talkin' bout
Nasty girl.. take it out her ass put it in her mouth
Knew she was a freak when she got in the backseat
She said she wanted me
And peep, we never shakin' in the sheets

Now my Georgia Peach, ooh
We gon' thug til the end
She don't give a fuck about no lady or none of my
friends
And when she seen that man, she hugged me
Tell me, "hi" that she wanna fuck me
I had to show her how to suck me
Nicknamed her "Coldblood"

[Chorus:] [2x]

Wish I could fuck her everyday
Touch her in everyway
But she stay so many miles away
She my..
Distant lover..
So many miles away
Distant lover..
So many miles away

Girl, I got feelings for you
Mane, I'm on some shit like middle school
I'm tryna write ya letters since I can't come home and
chill wit you
I'll fuck her wit her lil dude I need that pussy from you
every night
'cause I know it gon' be wet and right
A candlelight dinner 'cause wit me, you a winner
If you wit me, you ridin' Davins other spinners for
preteners
I got redbones in different states, every one's got a
pretty face
Every one let me grip their waist, every one know I
don't play

My thugged out chick, I can't fuck her too often
She bring problems in my life and she do too much
talkin'
But I gotta give it to her, with that mouth she the sickest
If you put work up in her hand, she gon' move it wit the
quickest
Now my California chick, she the type you don't need
She always trippin' on me when I smoke my weed
I told her, "girl, if you don't like it, then you can get to
hykin"
I was trippin' when you told me you was dykin'...!

She... my... distant lover nigga...
Wish I could fuck her everyday
But she stay so many miles away
She.. my ..distant lover nigga..
Wish I could fuck her everyday
But she stay so many miles away
She.. my ..distant lover nigga..
Wish I could fuck her everyday
But she stay so many miles away
She.. my ..distant lover nigga..
Wish I could fuck her everyday..

Distant lover...

[Chorus:]

Wish I could fuck her everyday
Touch her in everyway
But she stay so many miles away
She my...
Distant lover...
So many miles away
Distant lover...
So many miles away
