Used to have hoes who triflin,
Now I got pros, who dikin,
And it's exciting, it's exciting.

[Verse 1:]

I had to get my shit together mayne, I didn't like it.
I had too many hoes, who triflin.
Dirty shell toes, and Nikes.
I didn't like it, it wudnt exciting.
Till I got money, I got icy and hoes got right, they got
fiesty.
Turk to put me in the studio, I kept writing.
Droppin that gangsta shit, and it's exciting.
Purple after purple, mayne, we kept lightin.
Concert after concert mayne we kept fighting.
We struck tha world real quick, like lightning.
You pussy ass rap niggas, stop biting.
I used to fuck wit lil girls wit lil minds who wudnt grown
yet, before you wear a thong get yo pussy in check.
Yo hygiene a motherfucker you 'sposed to stay smellin
right, especially if you got a nigga wit money,
That's wat he like.

[chorus:]

Big money I like it.
Used to have hoes who triflin,
Now I got pros, who dikin,
And it's exciting, it's exciting. [x2]

[Verse 2:]

And i'ma tell you like this.
All my shows, be exciting.
Hoes grabbin on my dick, wanna bite it.
Didn't yo mama teach you betta?

You triflin. Just chill, afta tha show, you can lick me like icing.
Money make yo life betta so fuck wat they say.
Girls be wanna "G" up everytime they look in yo face.
She used to kiss me on my neck. (uh huh)
Now she suck me till that pussy get wet. (uh huh)
I remember way back when I used to fuck plats, when wore them daisy dukes and had that pussy sittin fat.
Now a nigga gettin stacks, i do whateva i like.
I hit em Asian, Black, or White. I have my pleasure wit dykes.
I'm first class on every flight. I'm a big dog nigga.
At tha super bowl on the front row. Where is ya'll niggas, look. I used to fuck wit hoes who like to cut Yo tires up. Now i'm breaded and they can't even get a nut.

[chorus:]
Big money I like it.
Used to have hoes who triflin,
Now I got pros, who dikin,
And it's exciting, it's exciting [x2]

[Webbie:]
I been livin like a timer, and i like it.
Hittin niggas baby mamas and they wifeys.
Rims all shiny, dressed nicely.
Hoes wit tha white tee, fresh white g-nikes.
White 2 seat, or I might be new SUV, doing 90.
Lookin for tha right weed, for tha right fee.
Hit it once or twice my eyes tightening.
I go faster, I swerve slightly to the left of the lane I came back right.
Grab that clutch tightly cuz it might be my night, you know we got niggas dying nightly.
Tonight I'm wit a nice freak. She half white, she clean up, lick a nigga nuts cuz she like me.
Finding another me up in the streets is unlikely.
Don't hit me on the phone later on cuz i might be gone.

[chorus:]
Big money I like it.
Used to have hoes who triflin,
Now I got pros, who dikin,
And it's exciting, it's exciting. [x2]
