This your boy Lil B, the Halloween H2O Mixtape  
I can't escape, ah, everything that happen  
I give a tone with this rapping  
But I'ma stay here like tables and napkins  
2012 still dropping classics  
Niggas wanna talk, fuck that  
Lil B history, all set off walk  
Nobody knew that the car would last  
Top of the world and it's filled with ash  
Pray for the same not fall for other gods  
Pay attention to they eyes  
Keep earth in my heart despite it's periods  
Come the people look great the world is different  
If you look different, be happy what you want with  
Giving people power, see what they gonn sit  
And the gold chain's the mix, lost, the chains and the  
miss  
Get pain from the bricks, building houses on mountains  
Did everything and still on counting,  
Can't be a judge and I won't be a felon  
Who am I to judge, who am I to tell them  
It's change when you see that 45 to your melon  
That same 45 slide ain't no telling  
Honor, here, what we deserve, stay humble for life  
Yeah bitch, and keep hope for earth, keep hope for  
birth  
A new town on earth, yeah, the solutions work  
Had a feeling that I gotta be based Halloween h2o  
Fuck the lames, yeah, and I still see traces, I feel no  
places  
The home for me  
Based god stay positive, so many suckers, don't  
forget how you gotta live  
Man watch your back, 2 eyes on my neck, yeah  
So I watch my back, lil b music, loud, with the sound to  
the max  
History and the voice on wax, all I gotta do is spit the  
facts  
Life like a movie, we all groovy, we are stars  
But who is shooting? Who got your back, who respect  
your movement?

Open your mind and just listen to the music  
Lil b spitting real, you got the blueprint  
And he a fucking game salute, he change the world  
Elevating this gangsta, lil boss, haloween h2o  
It's that real shit, A...
