When I step off in tha club

Every body know Boo be choking
And all I'm asking can I bust that pussy wide open
Can't you tell she caramel wit a smile that'll make you
precum
A dime peice who'll jump up on that dick and make Lil B
run
She so wet
So wet she make you wet
So wet it's sloppy (sloppy sex)
Shakin when she cummin
Look at this woman
Kissing me on chest I'm tryin stick it in her stomach
Look, lay down let me suck yo titties
Caress them pretty bitches
And shove it in and show you den that I'm tha sickness
And she so special (she so special)
Tha head up on her body make you jump up of the

Stop playin girl give me that cat
Before you neva get a phone call
Turn on that Kieth Sweat and let me take yo thongs off

So I can show you how a playa do
Everybody gon be hatin you (hatin you)
But Livin lavish
Through the week
Gucci dresses in yo fingas you got carats
Let a savage
And beat that pussy let a nigga
Teach that pussy have that pussy far from rookie (look)
And she so wet
Tha bed soakin wet
My head soakin wet
I'm pourin down sweatin
Straight to shower for a hour where I take my break
I'm Santa Claus and she fenna ride my fuckin sleigh
Now turn around and bend it back
Let me put it in that cat and when I hit it holla me Hatch

I want sex
Aint tryin be mean
Tryin get up in dem jeans (gul)
I want sex
I aint tryin be mean
Tryin get up in dem jeans (gul)

Ima be real, I'm tryin fuck something
I want sex
So wet she got you wet
So wet it's sloppy sex

Now she den gave that pussy I think I'm pussy wooped
Come home from studio sections she got a meal

She say tha shit that lift my spirit make thug focus
Then baby bath water wit a lil alcohol
Then she go and get a movie
We don't watch it all
And she so wet
