Attention attention, we need all the sexy girls to get on

All the girls from around the world,
South side, stand up
Real girl that look like Keisha
So thick start to look like mona lisa
Put your hands in the air, cause I see ya
Mention lord if you look like mona lisa
Or the girls in the back, I see ya
Oh yeah, we be ball on reefer
Don't trip, if I'm up when I meet ya
Might even have a girl when I beat ya
Girl look so good I'ma speak up
That girl look like she a freak though
Some days I might smoke on that oj
I â€¦ come fuck with me, I might even ball at the mardi
gras
Real g cause I'ma ball bitch take it off
What you gonna do for a couple dollars
Can you drop that for me and my partners
I see you on the corner out from the back
All day, playing to them girls like old days
Make them girls go work like they slaves

And free all my niggas down, they hold that quarter in

Boy must be smoking on that good grass
Down in cali low life see murda
Baby girl got holler like a new servant
Shake it like â€¦ girl she so hot cause she know about

Everybody in the street bitch know about me
I'm throwed back like the camel back projects
Call me captain based god, this the call, all the girls on
