Glassface nigga
We thuggin bitch

I'm still pissed about these niggas bitch niggas
No forgiveness throw ya ass in the river
I will buy dope but bitch I am the dealer
And I don't buy smack but I might take it
Strip ya butt naked the games on us
I stay in the cuts with them things loaded up
I don't give a fuck bitch I don't care
It's Fourth of July put them guns in the air
I been fucked over face slept over
Staring at your poster I'm gon' fuck ya over
I slow creep like them niggas in Magnolia
Coming down your street I'm a westside soldier
Based boys, based boys, still in the space boy,
Still got the long toy, still got the juice bitch
Long guns, long clips, short tip but long bullets
Long grave, long time to waste, short time to die,
Bitch nigga haters gon' be a real time to fly
Glass Face don't play send shots with the K
Now ask me if I'm playing bitch I'm a show my ass
This a rare occasion bitch
Finna push ya through the glass, finna take all the
cash,
Finna hit you with the mac, finna show you the fucking
strap,
Finna put this in ya back, bitch give me all the cash,
Bitch give me all the racks, I coming with the doja sack,
I'm coming with the light pack, ya better like that,
I'm coming with that right mac,
Ya bitch I don't give a fuck man I run rap

Aye man Glass Face man you gotta be a thug to be at
the top
If you ain't thuggin you are bitching
Aye man with this rap game we pushing bitch niggas to

But when you talk about the gutta nigga this life or

Rap or death you stay out of it if you ain't really with it
Music or death, music or life nigga, that's where we live
That's the type of niggas I feel, a lot of niggas is doing
