I rep the west bitch and I throw hammers
Shout out to New York IÂ'ma go bananas
I fuck that bitch in the new Bentley
This new yearÂ's off in to Â...send me
This new year bitch I got a lot to be
I keep my eyes open in these fucking streets
IÂ'm a pretty bitch and I fucking kill you
ItÂ's like Chicago cause I fucking drill you
ItÂ's 2 time I fin to go to work
On the west side, we smoke a lot of purp
On the west side, we toll ratchets
IÂ'm like an airport, cause I stay packing
WhereÂ's that girl in the red heels
I might buy the bitch cause IÂ'm too real
Every hoe got a price on the fucking hit
Nigga know I came straight from the fucking grave
Man I feel like IÂ'm down here west open
Man IÂ'm fin to fuck the whole and east open
Nigga I stay pretty bout my fucking cheese
Got 50 grand me, the bitches they leave
Niggas ask me what the fuck is my problem
IÂ'ma ball for my niggas cause they shot him
IÂ'ma ball for my niggas in the fucking grave
IÂ'ma tell you like this IÂ'ma bust his head
