Ain't got no mind  
But when I cruise I gotta have a sweet lady  
I love to travel 'cause when growing up  
I spent my time in tha hood lookin for Tierra Mari  
I can make ya feel good  
The Great Lakes, the Grand Canyon, and Yellowstone  
I like to see the world, soo me and my girl ain't never  
home

I went to Africa, kids sleepin on tha sleep  
Everybody got HIV and you pass commerical on TV  
Inside it hurted me  
Had to see some better lands  
Soo I took my girl to the Netherlands  
We slow dance and we hold hands  
Gotta fly back for court man and clean up this water  
Judge asked me where I been,  
Around the world, exploring, ya honor

[[Lil Boosie talking]]

Now look, if you ain't never been on a plane before  
Then just put your earplugs in, lay back, we on tha  
runway  
Just chill, just chill, just chill, just chill  
That's real there
