Welcome, To the Task Force
Bitch Mob, Worldwide, Lil' B
Welcome and Enter The Task Force

[Verse 1]

Nigga this the task force are you ready to meet the
lieutenant
I done hit 50 licks and the game about to jump up in it
Now its, like a scrimmage when you all up in that field
It gets real over the scrill, where them deals, them caps
get peeled

Why you all up in my mouthpiece, trying to get
something up out me
I done met bitches like you before, I treat them like a no
no
Shouts out to bitch mob, young pretty boy killer, I see
that pain up in your eye
But I chose to go out and ride, I'm holding on to that
gizzon', for fizzon'
And protection, nigga tried to catch me slizippin', like
the hitman out in richmond

Holla on them streets when that task force on my mind,
bitch mob up on my mind
Lil' B, I'mma go out and ride, Task Force no option,
pass to the back no
Quarterback option, buyin from me no quarterback
option, might have to go out and drop em
Shouts out to Marvellous, Shouts out to Sacramento, I'll
be smoking on that endo
Playing Nintendo, cause life's a game. In the Bay we be
in a daze, of that green
And I'm all about grapes, shouts out to East Ma Ma,
finna hit up KFC

Means Killing Fuckers Consistently, I'm my worst
enemy, the only
One that can beat me is Lil' B, that's Literally. Task
Force keep it real with me

Bitch Mob gon' kill for me, Lil' B that's the frenemy, you
waiting out here for enemies
Move looking like a centipede, 740 on top of shorty,
leave your ass with that 240, shotgun
With that Oh Lordy!

Bitch Mob Come Task Force Me (x3)

Finna leave that pussy dripping you bitch

[Outro]

Welcome to the task force

Hand me the bitches and hand me protection, I need
protection and I need bitches - Lil' B

You have completed the first stage of task force. Now
before you can rep the task force

First you have to be Based
Second thing you have to be apart of Bitch Mob
Third you have to protect Lil' B at all times
You have be one of the top commenters, top protectors

Protect Lil' B
