Aye nigga aye... Aye
I heard that you, said you got more bitches than Lil B
Now I'ma, correct you
When the last nigga told me that he had more bitches
than Lil B
I, made the mistake and I believed him
And I went to his house
And uh, to prove my point he did not have anywhere...
Close to as many bitches that Lil B has
Let's get that

What's up wit that work, bitch you look like a superstar
I'm stuck in Miami
That shit mean we fuckin'
Hit the king of diamonds body that nigga bitch go
broke
I'm off them blue pills, red pills ah, for reala
I'mma tell ya who the deala
I'mma tell ya who the bitch
I tally up, everything bitch I don't forget shit
Let the choppers talk, I'mma talk I'mma tell you what
the fuck
I need a bitch, cause I look like ah. Jerry Springer
Ima... Press the button I don't gotta lift a finger
Man this beef shit deep, I be out on the streets
I don't go to the clubs, niggas know I tot the K
I'mma tot that new Mac
I'mma tot that Mossberg
I'mma tot the new 30, commin' with the auto-aim
Fuck any bitch that... Don't fuck with me
I'mma make it snap
I'mma do the rodeo
Fuck what ya think, I'm holdin' that 40
Niggas actin' relevant, they girl gon fuck me
I'm commin down with 20 bitches, niggas don't know
me
Niggas gon owe me, ya learning bout the Based God
Down for the otha, I'mma hit em' with fuckin chop
Bitch roll my blunt, I'm strapped up to the mothafucka
Look I'm on MTV, next I'm on BET
