[Intro:]

Trend setter number 1 and a mother fuckin fifth  
Ever since I was four no one could do me better  
My auntie Burty told me trend setter  
From my waist to my fade how I rock that  
I'm a star so you ain't wrong if you copy that, copy cat  
I was the first nigga riding these  
No joke a hundred forty four smoke we in the tightest  
of the fire cat  
Right before that I put you on a throw back  
I taught you how to sag yo balls, taught you how to pull  
the four  
Got the world riden chargers with door up  
I show my hood how to get money and fold down and  
fold up  
First nigga in the city with the Bentley couple  
First with the charger gon be the first with the Camaro  
to  
I started niggas putting cars up in lines  
Now you see these niggas acting pushing 6 at time  
Respect my mind I'm a fuckin trend setter  
From my ride to my fuckin levy's, no one is better

[Chorus:]

Trend setters go get her everyday I breathe  
Superstar so you ain't wrong if you copy me  
Same shoes same shirt but you can't fuck with me  
Copy cat if they tryna pass baby's [x2]

[Bridge:]

Copy catter, copy catter, copy catter  
If they tryna pass ecstasy  
And that's me, they are [x2]

Copy catter, copy catter, copy catter  
If they tryna pass ecstsasy  
And that's me

[Verse 2:]

Boosie cutem on the cool, but niggas print it out  
But I still wear it out, shit is street

I started nigga putting names on they grill  
Chains with the name, TV screens in that lime green  
paint  
Oh I been there and done that  
Showed every nigga in my circle how to rock it up and  
make it come back  
And they got ratchet and he do his thang  
Got every nigga in every city want a interstate chain  
But not like me  
Follow me cause I'm a real nigga  
Leader of the rat pack since a lil nigga  
How you gon talk about LRG  
When I get my LRG freaks out the bronxx  
From my peepes from the west to the east {New York}  
I'm the animal and the king  
And everybody hollerin yaayy yuhh  
What the fuck are you gon do now  
Buy a shirt just like him  
Smoke some purp just like him, ha-ha  
But you can't rock a concert like him

[Chorus:]

Trend setters go get her everyday I breathe  
Superstar so you ain't wrong if you copy me  
Same shoes same shirt but you can't fuck with me  
Copy cat if they tryna pass baby
