[Verse : Lil B]

Watch out for the lick 'cause these haters ain't playing  
I be watching your game, seeing that game  
Motherfuckers so mad you better stay on the train  
Stay in your own yard I ain't playing no games  
These motherfuckers get rock with the same ass game  
Motherfuckers get shot with that same ass aim  
Like fuck that shit I ain't gonna be fuckin bitchin'  
With these motherfuckers snitching  
And with these motherfucker suckers living that fast  
round  
Walking with their ass out, punk they pass out  
Fuck 'em this is real game, real beef  
Real motherfuckers sleep,  
You can hear me I'm a robot consider my voice the  
whole track  
Can't comprehend all noise  
These motherfuckers don't know that I'm like some  
poison  
Come through man lead the voice in  
The voice motherfuckers you all think it's the voice  
Fuck them motherfuckers man the lick is my choice  
Fuck a lick, fuck a lick man I watch da lick

To show you how super you are

[Verse : Lil B]

Ye you gotta watch for the lick  
'Cause motherfuckers hatin on you tryin' to put you on

You gotta watch from the side, you gotta watch your

They putting drugs in your ass tryin' to get it out like  
What the fuck you doin' bitch, ya I ain't trusting nobody  
Motherfuckers is shady , trying to play it whole gladed  
Try to play it home lately, try to play home basement
