[Lil Boosie:]

Now from the introduction badass he had you blushin
My first discussin was strictly if all this body touchin
Kissin and huggin she fillin her head in the pillow
I kiss her tattoo on her back and stroke up on that cat
And I put it on her from the wall to the bed
Fine red she starrin she gon hit me with that head (yea)
She comin I'm comin we both close our eyes
She call me rollercoaster she love to take a ride
She ain met nobody yet that could last long
Sometimes I need ex just to last longer
And I feind for and part of mind stay on her
Put her body in a coma

Who gon love you like me (nobody)
Who gon do you like me (nobody)
Who gon kiss you like me (nobody)
Who gon freak you like me (nobody)

Yeaahh now I'm a put it on you you you
Now I'm a put it on you you you [x3]

We rub noses like dogs then we go in heat
Curress your thighs and your feet ain't nobody like me

Who gon beat it (nobody)
Who gon treat you like I treat you (nobody)
Eat you like me (nobody)

Love it when she text and tell me that that thang wet
I text her back I'm caught in traffic but I'm comin to
satis that
You kiss my chest, grab my back and pull me deeper in

her
She catch two I catch three now I'm sleepin in her
Up in vegas makin babies on the balcony
Thick, fine and I ain't lien her mind a masterpiece
Whoever after me gon have to lick that asshole and do
a lil bit more cause I caused her passion feet

Who gon love you like me (nobody)
Who gon do you like me (nobody)
Who gon kiss you like me (nobody)
Who gon freak you like me (nobody)
