I know somebody gon keep riding niggas motherfucker  
man  
While I'm getting this paper at a time  
I feel like people forgot me, I ain't gonna lie  
Niggas will just forget about you

Go ahead, you could send me a kite  
No lie, I'll be gone for a minute  
I'm doin bad, like I'm stupid craps  
Who got my back?

Go ahead, send me a kite up state  
No lie, I be gone for a minute  
Yea, I'm super craps  
Who got my back?

Life give in when people could kill  
Like this shit so real, this easy to deal  
Like I'm gonna feel, live with pain like  
Rock him on the strip man, nothing to gain like  
Niggas gon bad and get back the same night  
Blow a couple bags, get cass the game types  
Stuck in this, fuck the paper man  
How to rob a robber, I took the vacation  
Looking down for the man you fight  
Came with the sequel, it's coming with time  
I'm just on my grind  
Swimming through the past and this shit on my mind  
Swimming through the path and this shit on my mind

Lockdown in my mind, trezzy find  
Niggas steady dyin, I do it forever  
Why the fuck man?  
You feel me?  
Man purple breaks waitin back  
Yea take a chew pill man, fuck that for real  
Pay back is a bitch man, niggas could kill  
Based thoughts man coming from the business  
gangsta man  
I never been fake and I keep the paper  
Go on the boulevard, see the paper man

Stick the move, now the stick  
Freddy Slick man, I got the OT pick man  
Tryina pick first, man your bitches 6 man  
Pay attention man, you feel me catch the game  
Shots on you bitches, catch them  
You feel me? This is all that flame nigga  
Catch the K, I'm slick dope

You feel me?  
The home niggas keep riding you down  
I ain't gonna lie, niggas might be  
Even though my mind be crazy  
Niggas might say I'm the wildest shit  
You finna hope a nigga ridin around like now  
You feel me  
Yea

Go ahead, you could send me a kite up state  
No lie, I'll be gone for a minute  
No lie, I'm doin bad like I'm shootin craps  
Who got my back?

Go ahead, you could send me a kite up state  
No lie, I'll be gone for a minute  
No lie, I'm doin bad like I'm shootin craps  
Who got my back?

Go ahead, you could send me a kite up state  
No lie, I'll be gone for a minute  
No lie, I'm doin bad like I'm shootin craps  
Who got my back?

Go ahead, you could send me a kite up state  
No lie, I'll be gone for a minute  
No lie, I'm doin bad like I'm shootin craps  
Who got my back?
