Hmm  
Whoaaa Oohhh  
Yeahh

[Verse 1:]  
You Said It Wasn't  
Gonna Be Like It Was Before  
Then It Happened Again  
Pushing Me Back Out The Door  
Thought It Would Be Forreal This Time  
Love Me Forget About The Signs  
So Now What Do I Do  
Now, That I Know That We're Through

[Chorus:]  
Wish That I Could Move On  
Can't Let Go, It's Too Strong  
Just Like That And Then You're Gone  
Is This How You Wanted It To Be  
Everything You Had To Say  
Sent The Tears Right Down My Face  
Now I'm Trying To Escape  
The Misery  
Why Don't You Love Me  
The Way I Loved You  
It Feels So Crazy  
Cause I Dunno What I Did To You  
If You're Gonna Hurt Me  
Then Do It Quickly  
Cause I'm Tired Of Cryin  
If You Don't Wanna Stick Around  
Then, Baby, Forget About Me

[Verse 2:]  
Too Late, Sorry  
I Didn't Even Have The Chance  
You Said You Were Happy  
Baby, I Don't Understand  
Gave You Everything You Asked For  
And Was Ready To Give A Lot More  
I Would've Given The World  
Right In The Palm Of Your Hand

[Chorus:]

Wish That I Could Move On  
Can't Let Go, It's Too Strong  
Just Like That And Then You're Gone  
Is This How You Wanted It To Be  
Everything You Had To Say  
Sent The Tears Right Down My Face  
Now I'm Trying To Escape  
The Misery  
Why Don't You Love Me  
The Way I Loved You  
It Feels So Crazy  
Cause I Dunno What I Did To You  
If You're Gonna Hurt Me  
Then Do It Quickly  
Cause I'm Tired Of Cryin  
If You Don't Wanna Stick Around  
Then, Baby, Forget About Me

[Hook:]

Boy, My Heart Was True  
And That You Can't Deny  
Don't Be A Fool  
And Walk Away From All The Lies  
It's Up To You  
Cause Heaven Knows I've Tried  
Tell Me You're Still In Love  
Yeahhhh Ohh

Why Don't You Love Me  
The Way I Loved You  
It Feels So Crazy  
Cause I Dunno What I Did To You
