Verse 1:

When I look in your eyes I see a boy that know what he wants
But when I look at you I see a boy that plays around
If I had the chance I would leave, never to look back again,
never to look back again
If I had chance, I would fly so high (oh I)

Chorus:

What's wrong with the men of 2010 god only knows
and only him, god only knows and only him(2x)

Verse 2:

Thinkin bout what you did to me you hurt me
So I move my feet
Dancin to my R&b
Dosen't really matta to me
Havin fun is all I do
Tryin to forget about you(oh yea yea yea)

Chorus:repeat

Verse 3:

No lies he saw the tears comin out my eyes
Yet he wonda why(why)
Did he make lil mama cry
We straight grind like bonnie and clyde
Together we were master minds
Out in the streets doin what we do
He tell me I miss you to
Then why'd you go and do me like that

Chorus:repeat in to a fade
