Lil Boosie bad azz, trill entertainment, yung savage,
From the streetz to da beatz baby
Bend over lemme see whutchu workin wid fa real look
Ay tell'em we need 10, 000 ones in the corner
If you ain't doin it big you ain't doin it right

[Chorus: Trey Songz]

Bend over let me see it girl
Make you wait on the pole when you hit the floor
Make it go boom boom boom boom boom boom

Bend over let me see it girl
Lookin so much like a apple I'm a bite it baby
Make it go boom boom boom boom (Lil Boosie bad azz)
boom boom

[Verse 1: Lil Boosie]

Bend over let me see what momma gave ya
Make Lil Boosie smile shake dat salt shaka
Pretty face pretty feet I like dat hair do
I dare you to bend over come a lil closer

Fill ya ankles up with money make you feel special
From the bed to the dresser let me undress you
Do the spider man do the superman
Wontchu to show me things where the whip cream

Fine red she ain't scared she gon hit me with the head
I might break her off some bread cause she sittin in it
Bend over touch ya toes make it clap for me
I make it zoom zoom she make it boom boom

[Chorus:]

Bend over let me see it girl
Make you wait on the pole when you hit the floor
Make it go boom boom boom boom boom boom

Bend over let me see it girl
Lookin so much like a apple I'm a bite it baby
Make it go boom boom boom boom boom boom

[Verse 2: Lil Phat]

My baby (my baby) ion know whutchu did to me
Doin to me butchu on my mind like crazy
I'm tired of fuckin gimmie some lovin settle down with
Fellas you gon be the one that I can't settle down with
It's kinda crazy I'm in luv widda stripper
She like my thigh cause she pullin on my zipper
I need help I need help
She puttin dat azz on me it's too much I need help

It's lookin like a apple I might have to bite yours
Independent you the one girl I really like you
She'on like the lights on I drill her with my ice on
My bedroom boom all night all night long

[Chorus:]

Bend over let me see it girl
Make you wait on the pole when you hit the floor
Make it go boom boom boom boom boom boom

Bend over let me see it girl
Lookin so much like a apple I'm a bite it baby
Make it go boom boom boom boom boom boom

[Verse 3: Webbie]

You see my chain use those muscles
Girl I see yo thang it's lookin good to me
Girl you gotta lotta body I gotta lotta money
I'm a whole lotta man you a whole lotta woman

And I gotta ol' woman I'm finna get in trouble
Hopin you'on tell a soul I kno I ain't sayin nuttin
Boom boom like that I gotta two seater
We can zoom like that presidential suite

Let's getta room like that I'm lovin' those tats
Put a hump in yo back wanna stack gotta clap
Hard all of ya'll hataz be smart
And all dem bad bitches keep goin got it snowin look

[Chorus:]

Bend over let me see it girl
Make you wait on the pole when you hit the floor
Make it go boom boom boom boom boom boom

Bend over let me see it girl
Lookin so much like a apple I'm a bite it baby
Make it go boom boom boom boom boom boom
